

The Danzan-Ryū Jūjutsu Lineage Tree

檀山流柔術系

Last update: June 29, 2018

The following list shows the lineage tree of black belts in the Danzan-Ryū Jūjutsu tradition. The list is shown as a multi-level outline where the bullet ① indicates those who received their black belt from Prof. Okazaki. The bullets under these are numbered ②-⑩ to indicate the lineage level. The list is organized to show only one instructor for each person. The person's name is listed under the instructor from whom they received their Shodan (1st degree black belt). It is acknowledged that each individual may have had several other influential instructors, but that is not necessarily reflected in this document.

This listing is shown in alphabetic order under each instructor, but does not include rank, organizational affiliation, living/deceased or other details.

To have a name included on this list, please send an [e-mail](#) of your lineage, your reason for inclusion and any other pertinent information. Please include any black belts that you have promoted. Inclusion of anyone on the tree is not guaranteed and all requests will be carefully considered before addition to the tree. This tree is meant for those whose primary concern is Danzan-Ryū Jūjutsu. The editorial staff reserves the right to refuse any submissions and modify any existing entries.
